Experience

Coinzz.app

FULL STACK DEVELOPER

Goiânia, Brazil

Aug. 2022 - Apr. 2023

- Developed and maintained the frontend of Coinzz.app using React, ensuring a responsive and user-friendly interface.
- Implemented backend functionalities with Node.js, including RESTful APIs, data processing, and integration with external services.
- Managed DevOps tasks, including deploying and maintaining AWS infrastructure, ensuring scalability and reliability of the application.

Seedlisting

FULL STACK DEVELOPER

São Paulo, Brazil

Jan. 2022 - Jul. 2022

- Collaborated in the design phase by creating low-fidelity Figma prototypes to visualize and iterate on the user interface.
- Developed webpages with React, implementing dynamic features and ensuring smooth user interactions.
- Worked on the backend development using Node.js, building RESTful APIs and integrating with external APIs.
- Utilized Solidity to create smart contracts for decentralized applications (DApps) within the Seedlisting platform.

Vallora

TRADING BOT DEVELOPER

Goiás, Brazil

Aug. 2021 - Dec. 2021

- Developed and implemented expert advisors (EAs) for MetaTrader to automate trading strategies in the Brazilian financial market.

NetSuprema

BACK-END DEVELOPER

Goiás, Brazil

Dec. 2016 - Jul. 2017

- Maintained and supported PHP systems, ensuring their functionality and stability.
- Implemented new features and enhancements using PHP and collaborated with the team to meet project requirements.
- Created SQL queries to extract and manipulate data from databases efficiently.

161 Solutions

FRONT-END DEVELOPER - INTERNSHIP

Goiás, Brazil

Jan. 2015 - Feb. 2016

- Developed webpages using HTML5 and CSS3, ensuring cross-browser compatibility and responsive design.
- Implemented media queries with CSS3 to create responsive layouts and optimize the user experience across different devices.
- Collaborated with the design team to integrate visual elements and maintain a consistent and appealing user interface.
- Managed social media accounts and contributed to social media marketing strategies.

Education

PUCGO (Pontifícia Universidade Católica de Goiás)

COMPUTER ENGINEERING MAJOR

Goiás, Brazil

Jan. 2016 - Dec. 2020
